Our facility is recognized as an outstanding wedding location with access to all the amenities and services that you need to have your wedding, your way.

The Rooms

Natural lighting in our gallery makes for memorable photos and the high ceilings add to the refined atmosphere. You can also enjoy a bridal party hospitality room, customized dance floors and stages, modern china, cutlery and chairs.

For intimate events, our beautiful Meeting Rooms seat 50 - 100 guests and boast floor to ceiling windows. If your event requires a larger space, our spacious Alberta Ballroom offers completely customizable space for 100-800 people.

Looking for an even bigger location? Halls F and H can accommodate up to 1,500 seated guests. Let your imagination run wild as the options for décor are endless!
